# Harshit Mohanty

## Profile

Hello! I'm Harshit Mohanty, currently pursuing a Bachelor of Technology in Computer Science and Engineering (B.Tech CSE). As a passionate web developer and a blockchain enthusiast, I thrive at the intersection of innovative technology and practical application. My journey in web development has equipped me with a strong foundation in front-end and back-end technologies. I enjoy creating seamless, user-friendly web experiences and continually exploring new tools and frameworks to enhance my skills. My projects reflect a commitment to quality, performance, and design excellence.

# Employment History

## Intern at Prodigy Infotech, Bengaluru

04/2024–05/2024

- Researched new technologies and trends in the industry, resulting in improved processes and new ideas
- Developed a website for a client, boosting online presence and increasing customer engagement

## Design Intern at Google developer students Club, Bengaluru

08/2023–07/2024

**Visual Branding:**

- Created banners, posters, and social media graphics to promote events, workshops, and hackathons.
- Ensured all designs aligned with GDSC's visual identity and guidelines.

**Event Collateral:**

- Designed brochures, certificates, and badges for events.
- Contributed to the overall presentation and visual appeal of GDSC initiatives.
